## OUR DAYLILY DIRT

We started off the New Year with a delicious dinner at The Galley on Lake Hartwell Thursday, January 11th. Many great conversations enjoyed by all! A big thank you to Jill and others that made this event possible!

My “goal” is to communicate via this email newsletter.

I would love to have everyone's input for ideas and suggestions 😊

A special thank you goes to Ginny for her support! She has given me some great tips. I hope I am able to fill her shoes as our club's new secretary.
